BREXIT AND THE STATUS OF EU RESIDENTS IN THE UK The government will soon launch a Settlement Scheme, offering EU citizens living here a legal route to remain. While this is an important step we understand that, especially for people who have contributed to our society over many years, it may feel unjust and divisive that they are now required to apply for permission to stay.

Applying for the scheme notwithstanding concerns about these principles and practicalities, it remains a fact that EU citizens must apply if they are to protect their existing rights and their place in our society

Those who are affected are asked to visit the official information on the Settlement Scheme: gov.uk/settled-status-eu-citizens-families
